Suppliers				

#### **Browse by Supplier**

Click on 'Supplier' in the top navigation menu to see a list of products by supplier.

info@labsupply.co.nz

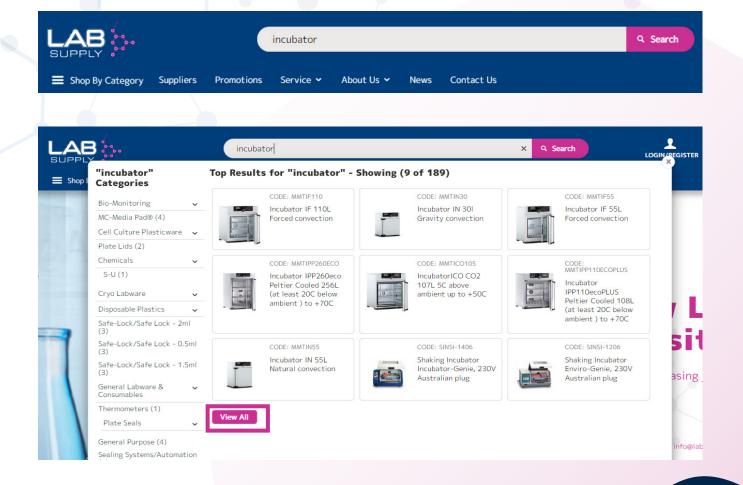

### **Browse Our Product Range**

#### **Browse by Search**

Use our intuitive search function to find the products you are looking for. Simply type your keyword in the search bar, which will generate a search preview with the top results.

Click 'Search' or 'View all' in the search preview window to see a complete list of search results. You can narrow your search results by category - available on the side bar of the search preview screen.

Our search function is intelligent - the more you search, the more it learns - improving results over time!

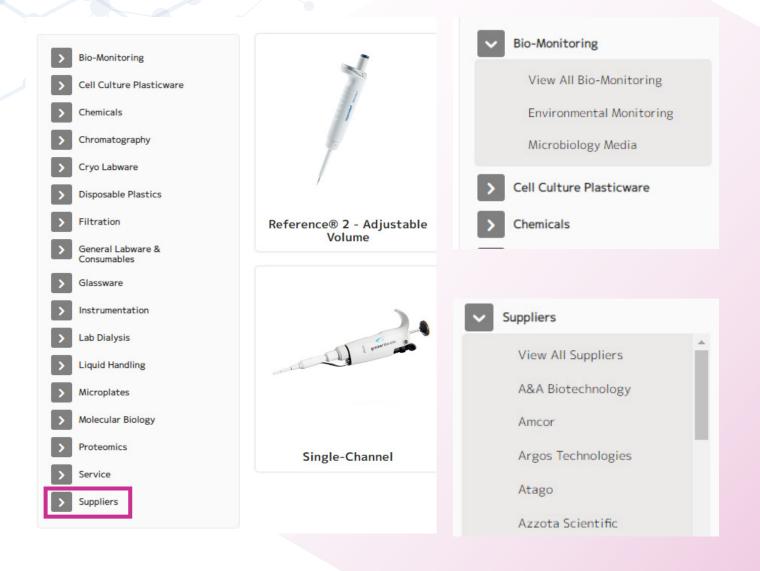

## **Browse Our Product Range**

#### **Browse by Side Navigation Menu**

You can access any category on our website using the side menu bar, which is visible from all product and category pages.

Click on the arrows to expand the menu to see the individual subcategories or to view the category as a whole.

You can also access the list of our suppliers from this menu.

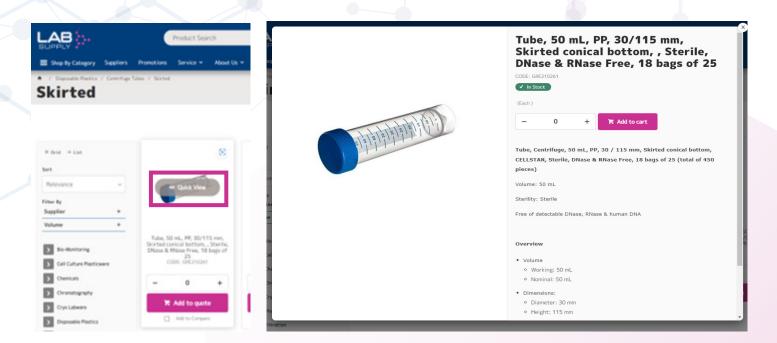

labsupply.co.nz

## **View a Product**

#### **Quick View**

Hover over any product to bring up the 'Quick view' button. Use this feature to access a pop-up for a quick overview.

#### **Product Detail Page**

Click on any product to see a detailed overview and specifications, along with the functionality to zoom in on product images.

Centrifuge, 50 mL, PP, 30 / 115 mm, Skirted conical bottom, CELLSTAR, Sterile, DNase & RNase Free, 18 bags of 25 (total of 450 pieces)

## **Add to Favourites**

Use the Add to Favourites feature to save products to a list you can come back to anytime.

You can add to favourites from the product grid, the quick view pop-up, the product detail page, or your cart.

Click on the heart icon or the 'Add to Favourites' button to save to your list.

labsupply.co.nz

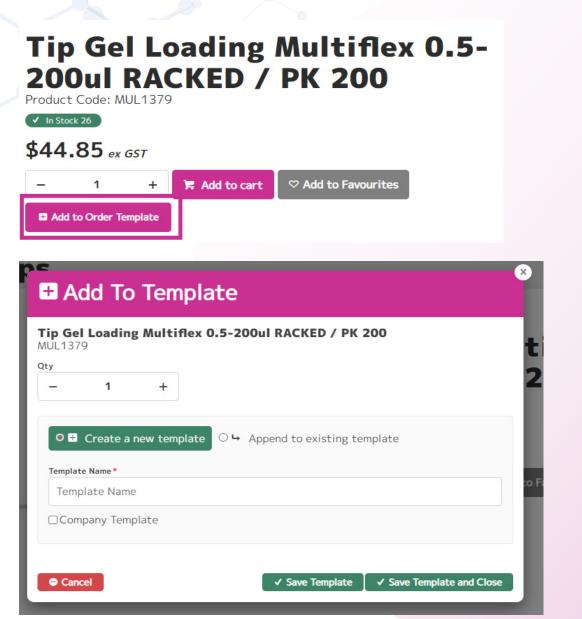

## **Add to Order Template**

#### **Save Time With Order Templates**

Order templates allow you to save lists of products with quantity, price and any notes, for use as a template for future orders.

In the product detail page, click on 'Add to Order Template' to bring up the pop-up.

Choose the quantity for your order, select a name for your template and click save. You can add more products to this template by selecting 'Append to existing template'. If this template can be used by other users with the same Customer Code, tick Company Template.

0800 522 787 info@labsupply.co.nz

## **Add to Order Template**

#### **Creating Order Templates From Your Cart**

You can also create/amend order templates from your cart.

Add all the products in the quantities required to your cart. In your cart view, click on 'Save as Template'.

Fill in the fields to save your template. You can add your selected products to a new template, existing template, or overwrite an existing template.
